

Server admin – Pass word: BIA-BHS@CSE2025

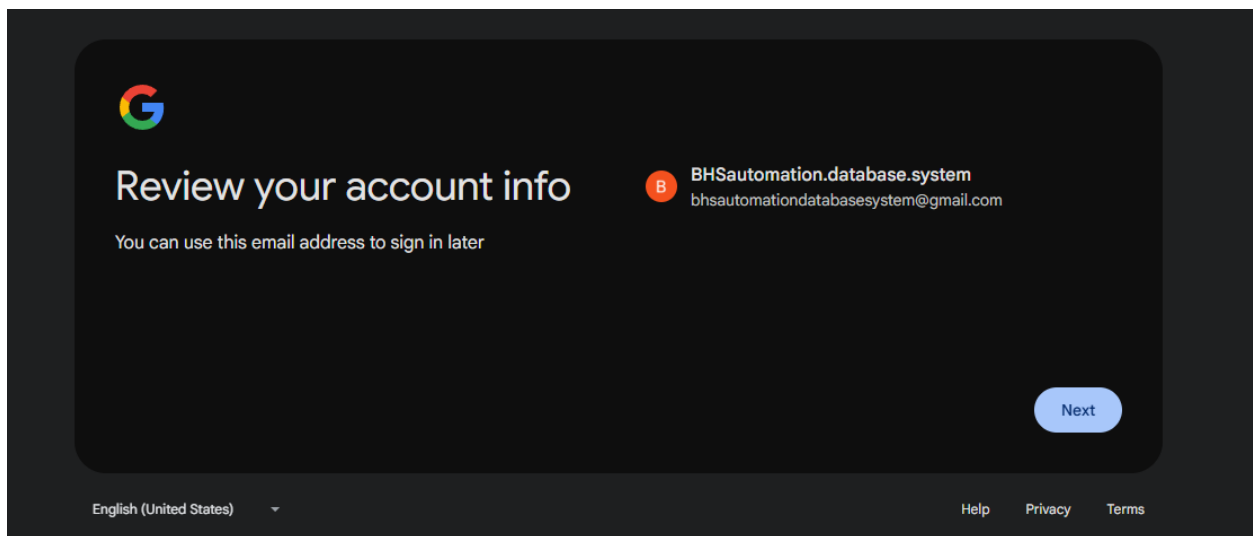

Server general user – Slts@12345

Firewall google account – email - bhsautomationdatabasesystem@gmail.com

Pw – BHS@automation200500%>

The image shows the Google account creation interface with a dark theme. On the left, the Google 'G' logo is at the top, followed by the heading 'Create a strong password' and a subtext 'Create a strong password with a mix of letters, numbers and symbols'. On the right, there are two input fields: 'Password' containing 'BHS@automation200500%>' and 'Confirm' containing 'BHS@automation200500%>'. Below these fields is a checkbox labeled 'Show password' which is checked. A blue 'Next' button is located at the bottom right of the form area.

The image shows the 'Review your account info' screen in Google's account creation process. It features the Google logo and the heading 'Review your account info' with the subtext 'You can use this email address to sign in later'. To the right, a red circle with a white 'B' is next to the text 'BHSautomation.database.system' and 'bhsautomationdatabasesystem@gmail.com'. A blue 'Next' button is at the bottom right. At the very bottom of the page, there is a footer with 'English (United States)' on the left and 'Help', 'Privacy', and 'Terms' on the right.
